DOCKET No. 2012-203-E

<b>IN MATTER OF:</b> Petition of South Carolina Electric & Gas Company for Updates and Revisions to Schedules Related to the Construction of a Nuclear Base Load Generation Facility at Jenkinsville, South Carolina	<b>PETITION TO INTERVENE</b>
--	------------------------------

I, Joseph Wojcicki, being the SCANA shareholder, hereby petition the SC Public Service Commission ("PSC") to intervene according to the PSC Rules and in the form presented in Pro se ... Guide in above case / matter.

1. The contact information:

JOSEPH WOJCICKI

820 East Steele Road

West Columbia, SC 29170-1125

E-mail: [joe4ocean@aim.com](mailto:joe4ocean@aim.com)

NOTE: My residence (for over 20 years) is in less than 25 mile air distance from Jenkinsville location of SCE&G Nuclear Generation Station / Facility. It is, *inter alia*, the basic requirement (living in less than 50 mile distance from the reactors) from Nuclear Regulatory Commission.

2. Please note that I was an active intervenor in this project in 2008-2009 as well as in still open PSC docket 2012-90-E w/o restrictions. Some financial interest is in the fact of shareholdings in SCANA Corporation.
3. Representing "a good knowledge for Nuclear Renaissance" in Energy Utilization, Electric Grid Topology, Safety Systems, etc., I would concentrate / focus mostly on Fukushima Lessons. I believe to assist PSC and ORS in the scope of my expertise / knowledge.
4. I hope that this Petition will be accepted; all rights and privileges will be granted, especially to serve in the behalf of the national economy and security.

Respectfully submitted,

Joseph Wojcicki - MSEE, consultant in BYPAS INTERNATIONAL
